IMPORTANT SAFETY INFORMATION FOR PATIENTS

DO

- Keep this card with you at all times.
- Show this card to any doctor or healthcare professional involved in your treatment.
- Keep a list of all medications with you when you visit your healthcare professional.
- If you experience any unusual symptoms, like strange thoughts, including thoughts of hurting others, whilst taking Sodium Oxybate 500 mg/ml oral solution, inform your doctor straight away.
- Store Sodium Oxybate 500 mg/ml oral solution away from children.

IMPORTANT SAFETY INFORMATION FOR PATIENTS

Sodium Oxybate 500 mg/ml oral solution can depress breathing and consciousness.

DO NOT do any of the following:

- **Do NOT** take alcohol whilst being treated with Sodium Oxybate 500 mg/ml oral solution.
- **Do NOT** take more than the dose prescribed by your doctor.
- **Do NOT** drive or operate machinery within 6 hours of taking Sodium Oxybate 500 mg/ml oral solution.
- **Do NOT** take any other medications unless you have discussed these with your doctor.
- **Do NOT** share your Sodium Oxybate 500 mg/ml oral solution with anyone else.

IMPORTANT SAFETY INFORMATION FOR PATIENTS

Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist, or nurse. This includes any possible side effects not listed in this leaflet. Please report suspected adverse drug reactions (ADRs) to the MHRA through the Yellow Card scheme, via the Yellow Card website www.mhra.gov.uk/yellowcard, the free Yellow Card app available in Apple App Store or Google Play Store, and also some clinical IT systems for healthcare professionals. Alternatively you can call 0800 731 6789 for free, Monday to Friday between 9am and 5pm.

Please also report to Laboratorio Reig Jofre, S.A. at: pharmacovigilance@reigjofre.com;
+34 934806710 (Spain)
Medinfouk@reigjofre.com (UK)

By reporting side effects you can help provide more information on the safety of this medicine.
